**Date of Hearing: February 5, 2024**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1210 appropriates one million five hundred thousand dollars from the Nebraska Capital Construction Fund in FY2024-25 to the Department of Administrative Services for the Office of the Nebraska Capitol Commission to design and construct a fifth-floor rotunda gallery in the State Capitol Building in coordination with Phase 5 of the Capitol HVAC project.

A one-time transfer from the Cash Reserve Fund to the Nebraska Capital Construction Fund will provide for this appropriation.
