

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB1276

Chairperson: Senator John Lowe

Committee: General Affairs

Date of Hearing: February 05, 2024

The legislature's intent for LB 1276 is to create the ability of a proprietor to seek the opinion of the Nebraska Liquor Control Commission on a license of an establishment that does not yet exist in a condition that would be usable for a liquor-licensed business. The bill seeks to get this approval/disapproval before any significant investment but rather requires the submission of design and operational plans to the Commission.
