

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB835

Chairperson: Senator Dave Murman

Committee: Education

Date of Hearing: January 22, 2024

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB835 amends section 38-3113. LB835 would have Nebraska join as a member of the Interstate Compact for School Psychologists (ICSP). This would remove licensure hurdles for licensed school psychologists to practice in Nebraska and other compact member states through a multistate license and a shared database among member compact states for background checks. Military spouses and others that are licensed school psychologists will be able to work in Nebraska school districts sooner if Nebraska is a member compact state.
