

LEGISLATIVE BILL 708

Approved by the Governor April 20, 1978

Introduced by Brennan, 9

AN ACT to amend section 31-736, Reissue Revised Statutes of Nebraska, 1943, relating to sanitary improvement districts; to place certain requirements on such districts prior to the acquisition of an interest in property; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 31-736, Reissue Revised Statutes of Nebraska, 1943, be amended to read as follows:

31-736. Such sanitary and improvement district may acquire by purchase, condemnation, or otherwise, real or personal property, right-of-way, and privilege, within or without its corporate limits, necessary for its corporate purposes. Such acquisition by the district may be effected only after approval by the municipality or county having zoning jurisdiction over such property. The approval of plans and specifications for the public improvement or project, or the approval of plans and exact costs for public parks, playgrounds, and recreational facilities, as required by section 31-740, shall be deemed to be approval for the acquisition by the district of such fee title, easements, or other interests in such property as may be required for the public improvement or project.

Sec. 2. That original section 31-736, Reissue Revised Statutes of Nebraska, 1943, is repealed.
