Be it enacted by the people of the State of Nebraska,

Section 1. Section 60-6,267, Revised Statutes Supplement, 2000, is amended to read:

60-6,267. (1) Any person in Nebraska who drives any motor vehicle which has or is required to have an occupant protection system shall ensure that:

(b) All children under the age of six years of age and less than sixteen years of age and weighing forty or more pounds being transported in such vehicle use an occupant protection system.

This subsection shall apply to every motor vehicle which is equipped with an occupant protection system or is required to be equipped with restraint systems pursuant to Federal Motor Vehicle Safety Standard 208, as such standard existed on the effective date of this act, except taxicabs, mopeds, motorcycles, and any motor vehicle designated by the manufacturer as a 1963 year model or earlier which is not equipped with an occupant protection system.

(2) Whenever any licensed physician determines, through accepted medical procedures, that use of a child passenger restraint system by a particular child would be harmful by reason of the child's weight, physical condition, or other medical reason, the provisions of subsection (1) of this section shall be waived. The driver of any vehicle transporting such a child shall carry on his or her person or in the vehicle a signed written statement of the physician identifying the child and stating the grounds for such waiver.

(3) The drivers of authorized emergency vehicles shall not be subject to the requirements of subsection (1) of this section when operating such authorized emergency vehicles pursuant to their employment.

(4) The Department of Motor Vehicles shall develop and implement an ongoing statewide public information and education program regarding the use of child passenger restraint systems and occupant protection systems and the availability of distribution and discount programs for child passenger restraint systems.

(5) All persons being transported in a motor vehicle operated by a holder of a provisional operator's permit or a school permit shall use such motor vehicle's occupant protection system.
