LB 839 would make changes regarding the seven-member Racing and Gaming Commission to change language regarding the removal of and requirements for those in the Commission.

The bill also would add that the Commission is to employ an executive director who would be selected by the Commission subject to the approval of the Governor. Under the bill, the executive director is to devote full time to the duties of the office and is to not engage in any other business or profession or hold any other state public office.

The Racing and Gaming Commission estimates no fiscal impact from this bill. There is no basis to disagree with this estimate.
