NOTE

The tables in this volume are a reference source for legislative enactments from 1943 through 2000. The tables provide the statutory citation for each section of the session laws and show the date each act went into effect. These tables were previously printed in Volume 2A as part of the Appendix. The tables for 2001 and subsequent years will be included in the statutory supplements until they can be incorporated into a reissue of the Cross Reference Tables.
